Re: Application for South Dakota Non-Resident Insurance Producer License

Dear Mr. Talbert,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual non-resident insurance producer license to the South Dakota Division of Insurance ("Division") on February 23, 2022. You answered "no" to Question 1B of the licensing application asking if you had ever been convicted of a felony. You also answered "no" to Question 2 of the licensing application asking if you had ever been named or involved as a party in an administrative proceeding. However, in reviewing your application, it was discovered that you have been convicted of a felony and you have been named in administrative actions.

Due to this discrepancy with your application, the Division wrote to you on May 18, 2022, requesting an explanation and documentation regarding the administrative actions and criminal history. The Division received no response and wrote a citation letter on August 9, 2022, which was sent via email, first-class mail, and first-class certified mail. No response was received.

Therefore, your application is denied based upon SDCL 58-30-167(1), (2), (6), and (9) for providing incomplete information in the license application, violating any insurance laws, rules, or order of another state's insurance director, having been convicted of a felony, and having a license denied in another state.

Please note that this denial is considered an administrative action which will be reported to the data base maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within 30 days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.
